Krislund Camp & Conference Center

Volume 4, Issue 3

Time to Register for Summer Camp

Now is the time to register your child for summer camp! Space is limited and getting your registration in early will guarantee your child's spot in the camp they desire. (Specialty camps have a smaller capacity.)

Registering your child is as easy as going to www.krislund.org and

clicking on the registration link. You may also fill out the form found in the registration brochure and mail it in to our office. (Registration forms are also available for printing online.)

Once registered, you will receive a confirmation along with

a packet of information to help you prepare for your child's stay with us.

A group of campers hanging out at the 52 foot Climbing Wall.

A Special Thank You

We just want to say a special note of thanks to our many wonderful volunteers already through-out the 2010 year. In only two months, much has been accomplished because of the work that they have done.

Two notable projects that are in process are the Upper Lodge expansion and a

serving window being placed in the dining hall kitchen. It is exciting to see the progress in each area. Both projects will also greatly aid in our ministry to the people of central Pennsylvania.

Members from all three presbyteries have been coming together in fellowship and service for

Krislund and it's ministry.

Again, please consider joining us on June 12 to see these projects and help us thank those who have put forth so much effort to make this possible.

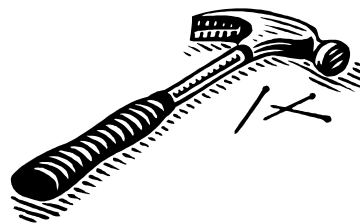

Attention Volunteers

We are searching for people with carpentry and building skills to assist us in our Upper Lodge expansion project.

There are a wide variety of skills needed in order to complete this project. Come for a day, two days or more!

It is a great opportunity to serve the camp and fellowship with other volunteers.

To inquire more about this opportunity or to sign up for a date, please contact Kent Rishel at 814-422-8878.
