

Caps *for* Krislund

Help us keep plastic out of the trash, and make durable picnic tables for Krislund

Camp Krislund is undertaking a campaign to turn our plastic lids and caps into picnic benches for the camp. **We invite you to join this worthwhile project by saving your plastic caps and lids**, using the guidelines on the back of this sheet. Deposit clean caps and lids in the bins provided.

Collect your plastic lids at home, and drop them into the labeled collection boxes. Most of the plastic caps and lids that regularly collect in your kitchen are among those that are accepted, but lids from takeout beverage cups are not accepted (keep carrying your water bottles and reusable mugs!). Do make sure you include only 100% plastic lids, with no metal or cardboard, please. Use the QR code to get to a full lid list with photos, or just depend on the quick list on the reverse of this page and on top of the container lids.

YES, drop 'em in!

- caps or lids with ♻️ 2, 4, or 5
- cottage cheese lids
- yogurt lids
- Pringle can lids
- milk jug caps (Meyer Dairy included)
- toothpaste and ointment tube caps
- pill bottle caps
